We extend our heartfelt congratulations to the faculty inventor for her dedication, creativity, and commitment that has led to this achievement. Your contributions significantly strengthen the University's research portfolio and inspire future innovators. The IPR Cell takes pride in supporting you through each stage—from concept to filing and now publication. We remain committed to facilitating and protecting intellectual property that brings laurels to VIT Bhopal University. Please find attached screenshot of the published patent for your reference. Note: Certificates will be generated once the patents are 'granted.'

Together, let us continue to innovate, protect, and celebrate intellectual excellence.
